

#455 Oil Derrick Heat Switch

The #455-92 Lionel Corp. thermostats are no longer available. (See illustration). With the introduction of the #2305 version in 1981 a solid state circuit board was offered which accomplishes the same oil action function.

These circuit boards are now available from Dr. Tinker at **\$20.00** plus shipping. The supply is limited.

Substitute part number 2305-45
